Purchase Mortgage Certification

In an attempt to fight predatory lending and reduce the increasing number of home foreclosures, the City of Hartford has established a Purchase Mortgage Lending Policy, which sets standards for purchase (first-lien) mortgages that are supported by subordinate liens under the *National Stabilization Program, HouseHartford Homebuyer Assistance, the Appraisal Gap Financing*, and the *HOME Homeownership Housing Development* programs and other City funded programs as determined by the City.

Lenders agree to adhere to the following business practices when originating purchase mortgages:

- 1. Prohibit predatory lending practices and abusive sub-prime mortgage lending.
- 2. Make best efforts to place Hartford borrowers in the least risky, most sustainable and most affordable loan product that is appropriate for the customer's financial situation.
- 3. Originate mortgages that are conventional (fixed rate) or responsible sub-prime loans, which comply with the City of Hartford's Purchase Mortgage Lending Policy.
- 4. Originate mortgages that are eligible for purchase by Connecticut Housing Finance Authority, Federal Housing Administration, Fannie Mae or Freddie Mac. Further, lenders must provide evidence that they are a direct Fannie Mae lending partner, or a Federal Housing Administration lending partner, or Freddie Mac approved.
- 5. Prohibit mortgages with balloon payments, interest only or interest first provisions, and those that allow for no income-no asset, or stated income-stated asset features (financial information provided by mortgage applicants that is not verified by lenders).
- 6. Utilize prepayment penalties for a maximum term of three years, and only when there is a specific benefit to the borrower (e.g., rate or fee reduction for accepting the prepayment penalty terms, etc.).
- 7. Prohibit adjustable rate mortgages (ARMs) unless borrowers are qualified at the fully-indexed and fully amortizing rate.
- 8. Maintain foreclosure prevention practices that meet or exceed Fannie Mae or Freddie Mac standards.
- 9. Ensure that homebuyers complete an 8-Hour Homebuyer Education class, by a City approved provider.
